

Murphy Bed Warranty

At Canadian Closet, we provide a 1-year warranty on product and workmanship for all our Murphy Beds.

This warranty covers any defects in materials or workmanship that may occur during normal use.

In addition, all Elite Aluminum hardware by Murphy Wall-Beds Inc. is backed by a limited lifetime manufacturer's warranty, covering defects in materials and manufacturing under normal residential use.

We do not cover components manufactured by third parties or normal wear and tear, such as scratches and scuffs, that occur with regular use over time.

Please contact us directly with any questions regarding the details of this warranty or if you need assistance with any warranty-related issues.
