Barn Doors

We offer several barn door styles that can be made in a wide variety of finishes.

There are options for rail and wheel styles as well as several designs for handles to customize the door..

Phantom Screens

- **Retractable Screen Doors**

  These award-winning retractable screens are there when you need them, and can be rolled out of sight when you don't.

  Keeps the bugs out; let's the fresh air in.

- **Executive Motorized Screens**

  Create a livable outdoor space while keeping insects out and providing wind and sun protection.

  Bringing the outdoors in!

- **XL Retractable Screens**

  For oversized patio doors up to 10' high and 24' wide, this manually operated retractable screen retracts horizontally and completely out of sight when not in use. It features customized stopping points along the track and an integrated quick-release thumb latch to provide easy in and out access.

- **Window Screens**

  "Serene" screens by Phantom provide solar shading, enhanced privacy and protection from insects while maintaining views. Retractable window screens are perfect for most window types.

Fixed Screening Solutions

SCREENEZE

Features an aluminum base and vinyl cap that when snapped together stretch and secure the screen fabric.
SCREENEZE is a perfect for bug control.

SCREENEZE is an ideal solution for:

- Verandas
- Gazebos
- Porch or lower balconies
- Patios
- Pool houses

SOLARIS SCREENS

Custom-built, fixed screens
that bring stability, affordability,
and quality together
to turn your porch or covered patio
into an outdoor room
protected from bugs, wind, and sun.

.

•Traditional Screen Doors

PCA Products

For those who prefer a more traditional screen door, we offer PCA's custom aluminum doors.

PCA custom aluminum screen doors can also have customized, decorative accessories added.

PCA doors are available in single or French doors.

At Canadian Closet we focus on high-quality.

At Canadian Closet, we understand what is important to consumers and we focus on providing a quality of product and service that sets us apart from others in the industry.

Over the years, we have aligned ourselves with industry-leading manufacturers/brands in order to provide our customers with the most sustainable product that is worth their investment.

And with every project we take on, *The Canadian Closet Difference* is present. No matter what we sell, our customers are given individualized service that is focused on customized solutions that our experience and knowledge can provide.

We have created a thorough, yet straight-forward, process for our customers to help meet their needs, style, and budget.

Our goal is for their time with us to be enjoyable and to meet or exceed their expectations.

When a customer's experience is positive and they are pleased with the end result, it creates happy, life-long customers who become the best proponents of your company.

By working with us, you'll have peace of mind knowing your customers will be treated with the kindness, respect, and dedicated service they deserve.
