

Interior Door Warranty

At Canadian Closet, we provide a 1-year warranty on panel materials and workmanship for all of our interior doors and wall partitions.

This warranty covers any defects in materials or workmanship that may occur during normal use.

In addition, all Raumplus materials (excluding panel materials) are backed by a 10-year manufacturer's warranty against manufacturing defects and errors. This warranty is valid for as long as the original customer owns the residence or business where the product was originally installed. Defective parts will be repaired or replaced at no charge by notifying Canadian Closet.

We do not cover components manufactured by third parties or normal wear and tear, such as scratches and scuffs, that occur with regular use over time.

The manufacturer's warranty applies only to materials supplied by Raumplus and becomes void if the product is moved from its original installation location.

Please contact us directly with any questions regarding the details of this warranty or if you need assistance with any warranty-related issues.

Thank you for choosing Canadian Closet for your custom interior doors and wall partitions!
